

The Southern SAVE Ride had a couple last minute changes having lost access to the last two stops, and the highways, due to the Governor's mandate changes. Revised map and route details included in this email. The GAME on University Ave will replace the last two stops, so it should all work out.

SATURDAY NIGHT

We are meeting at the Comfort Inn Mesilla, across from the Harley Davidson dealership, between 5 and 6 pm for an evening run through the open locations in Mesilla and sample the breweries best. Pre registration will be available there also from 3 pm until we leave.
