To Whom it May Concern;

The American Legion was established as a national veteran's organization for the purposes of supporting Veteran's Affairs and Rehabilitation, promoting Americanism, ensuring National Security, and providing for the Children and Youth to ensure all had the necessary essential needs met. The American Legion has been established as an exempt organization under section 501(c)(19) designation as a group ruling as an officially recognized non-profit veteran's organization.

The American Legion, Department of New Mexico American Legion Riders Motorcycle Association in order to support veterans, veteran's families, and veteran support organizations holds annual benefit drives to raise money and health and comfort items. 100% of these items and money go directly to people and families in need that are housed in VA hospitals, transition centers, Fisher Houses, etc.

Therefore, we are seeking a donation of items or funds from you, your organization, or business. Events are scheduled to take place all throughout the year and can be used at any time that it is deemed convenient for you to donate.

Your charitable tax deductible donation can be sent or provided to:

- a member representing our organization,
- sent to the OWW-NM Chair, Aaron Dean, 1112 N First St., Grants, NM 87020
- sent to the Department of New Mexico, 1215 Mountain Rd, NE; Albuquerque, NM 87102; or
- any local Post (<http://www.legion.org/members/locators/posts>),

If your donation requires pick up or other coordination, please call myself (505-269-9775) or Aaron Dean (505-290-0481), we would be happy to work with you. Please accept in advance, our thanks for your donation or at the least, the consideration for doing so.

Sincerely,

Daniel Guillaume
